BDM VISION

Admiral Taverns are seeking a dynamic and experienced licensee to create a welcoming, inclusive community hub. The ideal candidate will be passionate about delivering excellent customer service and putting customers first, fostering a warm and friendly atmosphere. They should be skilled at building relationships with local charities and community groups, using the pub as a space to champion local causes. This will require someone who can organise regular events such as league team games, darts, and pool tournaments. Additionally, they will introduce a weekly rhythm of activities including quizzes, live music, and other engaging events that will appeal to a wide audience. A strong understanding of marketing is essential, with a focus on using social media platforms to promote events and encourage socialising. By blending a community-first approach with lively events and a strong online presence, the licensee will make the pub an essential part of the local social scene, attracting both regulars and newcomers. This is an exciting opportunity to take ownership of a thriving pub, drive engagement, and contribute to the community.
